Uniquely
emailable.**

Compatible with Vista by Viewpoint

Emailable checks will:

- Save you the cost of stamps, envelopes, and preprinted checks
- Save you time with no folding, printing or envelope stuffing
- Protect you from fraud with cutting-edge security features that make emailable checks the most secure check in the industry

And, unlike other online payment solutions, anyone can send and receive **Deluxe eChecks**. **All you need is an email address.** A secure link is sent to the recipient, they click, download, print and cash. Simple as that!
